

# Vaccination Requirements

At Silverwood, the health and wellbeing of our furry friends and our staff is very important to us. Therefore, we require all of our furry friends to have \*proof that the following vaccinations are up to date.

## For Grooming:

- Rabies

## For Doggy Daycare & Boarding Dogs:

- Rabies
- Distemper
- Bordetella
- Parvo

## For Boarding Cats:

- Rabies
- Distemper

\*For proof, we must see the vaccination records from your vet. You may bring them in, email them, or have your veterinarian email them to [Silverwoodpetcare@gmail.com](mailto:Silverwoodpetcare@gmail.com). We will write the expiration dates of the vaccinations on your file card so you do not have to bring them with every time. A rabies tag, due to not having an expiration date on it, unfortunately does not count as proof. Thank you for your understanding!
