

Silverwood Petcare Grooming waiver

Your pet is important to us. Because we care about your pet's safety and well being, we want to assure you that every effort will be made to make your pets visit as pleasant as possible.

If your pet is severely tangled or matted, it is at greater risk of injury, stress, and trauma. All precautions will be taken. However, problems occasionally arise, during or after grooming, such as nicks, clipper irritation and mental or physical stress.

In the best interest of your pet, we request your permission to obtain immediate veterinary treatment should it become necessary.

You (owner) also certify that your pet(s) is/are in good health with no communicable diseases and have provided proof of the rabies vaccination.

In the event fleas/ticks are found on your pet, a natural neem flea/tick bath treatment will be applied and charged to the owner at our normal bath/groom rate plus The Woodsman Spa Package.

You (owner) give permission for Silverwood Petcare LLC to take photos of your pet while in our care to utilize in our social media outlets or print/online advertisement.

I hereby grant permission to Silverwood Petcare to obtain emergency veterinary treatment for my pet at my expense. Also, realizing that matted pets have a greater risk for injury during grooming, I will not hold Silverwood Petcare responsible for accident or injury to my pet.
